Reclamation must be made within two weeks if the company is disagreeing with the content of the contract or its interest was not to bind itself by a contract.

On Contact Forum event day, the company can bring only its own marketing material to its event stand.

The organizer charges the company separately from other services used by the company that it ordered from the organizer.

The sum total of the participation fee has to be paid on the account announced by the organizer (below) at the latest on the due date mentioned in the invoice.
